| Brief description of Firm | <p>In 1929, Gemayel Frères s.a.l (GF) pioneered the paper recycling industry in Lebanon. The company then started the production of cardboard from recycled waste paper. In 1956, we introduced the production and sales of corrugated cardboard boxes to the country. Quality and customer services have always been the central values that drive our organization. This commitment has led us to be proudly the first corrugated cardboard manufacturing company to be.</p> |
